CRAFT BEER

**EPHEMERE**

Ephemere is the third in a series of lively original-recipe beers that come and go before you know it. From season to season and year to year you'll find a different Ephemere beer.

**DOCS CIDER**

This cider is semi-dry and wonderfully effervescent with a remarkably fresh apple nose. Its crisp, fruit forward taste and a clean, refreshing finish, have won our cider countless awards and praise.

**OMMEGANG HENNEPIN**

Hearty and rustic golden ale. Full-bodied, hoppy & crisp.

**YARDS LOVE STOUT**

An English sweet stout made with pale and dark English malts, English noble hops and 150 whole oysters — shell and all. The oysters are thrown into the brew kettle during the boil stage of the brewing process, adding calcium to the wort. The result is a passionately smooth stout.

**FIRESTONE UNION JACK IPA**

Citrus, pineapple, and a full chewy malt profile finish clean on your palate. A beer true to its origins; deeply hopped and bolstered for a long voyage.

**GRIMBERGEN DOUBLE**

Double has undergone two fermentations, which gives this ale a chocolatey, toffee taste with a warming brandy-like finish.

**ITHICA FLOWER POWER**

The taste has a very nice combination of bitterness and sweetness. Medium to full bodied with average carbonation. Smooth and easy to drink with a bit of a bittersweet aftertaste.

**LEFT HAND 400LB MONKEY**

Very original IPA taste; mild version of a traditional IPA. Sweet overtones and a Great hoppy nose and wonderful brown, hoppy after taste.

**TROEGS NUGGET NECTAR**

Pours a clear amber to copper color, with a two finger bright white head, with very good retention and plenty of lacing. The taste has a nice combination of bitterness and sweetness with grapefruit, pine, floral hops, caramel, bread, and toasted malts.

**RJ ROCKERS SON OF A PEACH WHEAT**

An unfiltered American wheat ale made with real mean peaches.
